

The Rush County Drainage Board met in the Commissioner’s Room of the Rush County courthouse on March 21, 2016 at 10:20 a.m. with the following present: Mark Bacon, Paul Wilkinson, Bruce W. Levi, members; Leigh Morning, Board attorney; Marvin L. Rees, Surveyor; Michele Gordon, secretary.

Minutes of the previous meeting were approved and signed by motion of Wilkinson, with a 2nd by Levi.

STEWART HOLLOWAY TILE

The Surveyor received reports from several homeowners after the recent rain that their basements were staying dry thanks to the work that was completed on this tile.

L F McDANIEL TILE

The Surveyor has received several complaints of excess water and that the tile is not working properly. After investigating the area it was found that roots were in the tile near the outlet. These have been removed. The Surveyor isn’t sure this is the only problem with this tile. The area will be monitored.

GEORGE F MULL TILE

Max Miller reported to the Surveyor that water is sitting above the ground. Maintenance work will be needed on this tile to correct the problem.

PETER MAUZY TILE

Work has begun on this reconstruction project. The new tile was installed over the gas line and under the fiber optic cable.

WAITS/WRIGHT TILE, DANIEL BROWN TILE, JOHN O HILL TILE

Duke Energy has requested to work on the right-of-way of these county drains. A motion was made by Levi, with a 2nd by Wilkinson, to sign the permits allowing Duke to work on the right-of-way. Motion carried and the permits were signed.

There being no further business to come before the Board a motion to adjourn was made by Levi, with a 2nd by Wilkinson. Motion carried.
