STEWART/HOLLOWAY TILE

The Surveyor gave an update of the work being done in Mays and showed photos to the Board members. He stated there was a lateral pipe belonging to South Henry Sewer District that they did not mark onsite, which was clearly shown on the map, resulting in several hours extra labor which will be billed to the County by Kevin Peggs Excavating. Levi made a motion to send a bill for the additional cost to South Henry, with a 2nd by Wilkinson. Motion carried.

DAVID CANADY TILE

The Surveyor reported the tile is now installed and the end of the county tile was connected to a 5” pipe on the Hiner property. David Hiner personally thanked the Surveyor and the Board for getting this project done.

CARR/STANLEY TILE

The Surveyor showed copies of the prints that will be sent to the Railroad and stated this will be two projects instead of one.

GEISE MUTUAL DRAIN

The Surveyor reported Jerry and Kathy Stevens have filed for Judicial Review. Mark Bacon asked Desmond Stevens if he had anything to say, to which he replied that he did not have anything to say at this time.
