COUNTY FARM DRAIN

Mark and the Surveyor met with Niedenthal on site Friday June 18th, 2021. The tile appears to be blocked some place. Niedenthal has installed a levy on the edge of the county’s property to keep water from crossing his property, which is the natural flow of the water. Attorney Morning said it is illegal to block the natural flow of water. This levy will need to be removed in order to find the blockage. Bacon and the Surveyor and Gettinger Excavating plan to meet with Niedenthal at 2:00 p.m. on June 21, 2021, this afternoon, to discuss a plan of action.

With nothing else to come before the Board, the meeting was adjourned on motion by Wilkinson, 2nd by Jarman. Motion carried.
