

With the ongoing COVID pandemic, on October 28, 2020, the Indiana State Department of Health matrix showed Rush County at a Level 2, and color coded as Orange. Consistent with action taken by the Rush County Commissioners taken at their meeting on October 26, 2020, the Rush County Courthouse will be open by appointment only starting on October 29, 2020, at 8:00 a.m. Exceptions to this will be for hearings in court, payment of property taxes, and early voting. ***If you have a hearing or trial scheduled with the court system, you are expected to keep that hearing time; this is not an excuse to miss your court date.*** The Rush County Commissioners encourage all members of the public to practice good hygiene, proper hand-washing techniques, social distancing, and wearing of masks to prevent further community spread of the Coronavirus.
