The minutes that was hold on November 7th, 2022 was approved and signed by Jarman, 2nd by Wilkinson.

JABEZ REDDICK TILE AND OPEN

Ann Reddick came before the Board and stated that Hoosier Energy plans to change drainage on their property. She presented a map of her land and the watershed of where they are wanting to do the project. The full scope of their project is not known at this time, but was said that they are planning to upgrade and move a switch. She stated she doesn’t want this to take place because it will cause a lot of problems not just for property but others as well. Surveyor stated he spoke with Chad Roots a consultant Hoosier Energy and as soon as he hears anything he will let the Board and Miss Reddick know. Bacon stated we will just wait and see and go from there.

RUSHVILLE FLOODING

Surveyor stated Chuck sent everything over for the BRIC grant. State will look it over next week and if everything is ok it will go to FEMA.

CARR/STANLEY

Surveyor stated still waiting to hear back from the Railroad.

With nothing else to come before the Board, the meeting was adjourned on motion by Jarman, 2nd by Wilkinson. Motion carried.
