Surveyor stated Greg Pence’s office called and he let them know what was going. The next day he got a call from CSX Brad Armstrong. The Surveyor sent him scans of our two agreements. Pence’s office called again and asked if this had anything to do with the Diamond Pet Food plant being built, he told them that it did not.

Mr. Wicklift called asking if the Board was going to fix his fence since they fixed his neighbors fence. I spoke with Ramsey he stated that fence was put back because of them having a dog and they didn’t want it to get out. Leigh stated no we don’t have to fix it. Mr. Wicklift also stated there are ruts in his property. Asked the ruts to be removed.
